Alameda County ECM & Community Supports Provider List

October 2026

Developed by the Alameda CalAIM PATH Collaborative

The Alameda CalAIM PATH Collaborative is facilitated by BluePath Health as part of the California Department of Health Care Services (DHCS) Providing Access and Transforming Health Initiative (PATH)

BluePath HEALTH

DHCS | PATH

Resource Overview

This reference tool offers a comprehensive list of the contracted Enhanced Care Management (ECM) and Community Supports service providers currently operating in Alameda County through the CalAIM initiative. This statewide Medi-Cal initiative is implemented locally by Medi-Cal managed care plans (MCPs) but with state oversight by the Department of Health Care Services (DHCS).

In Alameda County, the Alameda Alliance for Health and Kaiser Permanente are the local Medi-Cal MCPs that contract with local providers and service organizations to deliver ECM and Community Supports. It is important to note that while some service providers contract with both Medi-Cal MCPs, many are only contracted with either the Alameda Alliance or Kaiser Permanente to deliver services to eligible Medi-Cal members.

The Provider List includes contact information, ECM Populations of Focus served, and Community Supports services offered by each contracted provider in Alameda County.

This resource is intended as a reference tool to support access to and coordination of ECM and Community Supports services for eligible Medi-Cal members in Alameda County. The Provider List can be used to identify contracted providers to connect individuals and families to the ECM and Community Support services they need in a timely manner.

To request additional provider information or suggest updates or corrections to the information available in this reference tool, please contact pathinfo@bluepathhealth.com.

The Provider List was developed by BluePath Health through the CalAIM PATH Collaborative Planning and Implementation (CPI) Initiative, which supports county and regional collaborative planning efforts for CalAIM implementation. The Alameda CalAIM PATH Collaborative meets monthly to convene local stakeholders and discuss the rollout of ECM and Community Supports services.

We appreciate the support and contributions from the Alameda Alliance for Health, Kaiser Permanente, and our county partners to develop this resource for the community.

Enhanced Care Management Overview

ECM is a statewide Medi-Cal benefit available to qualifying members with complex needs. To access the care they need, these members must often engage several separate delivery systems, including primary and specialty care, dental, mental health, substance use disorder treatment, and long-term services and supports.

Medi-Cal members with complex needs are enrolled in ECM to receive comprehensive care management from a single lead care manager who coordinates all their health and health-related care, including physical, mental, and dental care, and social services. ECM makes it easier for members to get the right care at the right time in the right setting and receive additional services that go beyond the doctor's office or hospital. ECM is the most intensive care management benefit available for Medi-Cal members.

The following pages list the ECM providers that are contracted with the Medi-Cal MCPs that operate in Alameda County, the Alameda Alliance and Anthem. The Populations of Focus served by each ECM provider are specified, and providers may serve one or more of the following Populations of Focus (POF):

- Adults, youth/children, and families experiencing homelessness.
- Adults, youth, and children who are at risk for avoidable hospital or emergency department care.
- Adults, youth, and children experiencing serious mental health illness (SMI) and/or substance use disorder (SUD).
- Adults living in the community and at risk for long-term care institutionalization.
- Adult nursing facility residents transitioning to the community.
- Children & Youth enrolled in California Children's Services (CCS) or CCS Whole Child Model with additional needs beyond their CCS condition(s).
- Children & Youth involved in child welfare, including foster care.
- Adults and youth who are transitioning from incarceration.
- Pregnant and postpartum individuals (Birth Equity Population of Focus

Health Center Networks Providing ECM in Alameda County

To provide ECM services, Alameda Alliance for Health and Kaiser Permanente have direct contracts with individual provider organizations, as well as the two provider networks below who hold direct contracts with multiple provider organizations.

Community Health Center Network (contracted with Alameda Alliance for Health) has contracts with health centers through the following organizations:

Asian Health Services	LifeLong Medical Care
Axis Community Health	Native American Health Services
Bay Area Community Health	Tiburcio Vasquez Health Center
La Clínica	

The Full Circle Health Network (contracted with both Alameda Alliance for Health and Kaiser Permanente) has contracts with health centers through the following organizations:

A Better Way Inc	Koinonia Foster Homes, Inc
Alameda Family Services	Lincoln Family Services
Alternative Family Services	New Dimensions Foster Family Agency
April Parker Foundation dba APHealth	Outreach Programs
City Serve of the Tri Valleys	Seneca Family of Agencies
East Bay Agency of Children	Side by Side
Eden Youth and Family Center	Sowing Seeds
Family Resource Navigators	Stars Behavioral Health Group
Fred Finch Youth & Family Services	Unity Care Group, Inc.
iFoster	WestCoast Children's Clinic

Community Supports Overview

Community Supports are services covered by Medi-Cal MCPs to address Medi-Cal members' health-related social needs to help them live healthier lives and avoid higher, costlier levels of care. Members may receive a Community Supports service if they meet the eligibility criteria and receive service authorization from their MCP. Not all Community Supports are offered in every county or by every MCP. The chart below shows which Community Supports services are available to Alameda County Medi-Cal members by MCP:

Community Supports	Alameda Alliance	Kaiser Permanente
Asthma Remediation	✓	✓
Community Transition Services/Facility Transition to Home	✓	✓
Day Habilitation Programs	Not Available	✓
Environmental Accessibility Adaptations	✓	✓
Housing Navigation, Tenancy, Deposits	✓	✓
Medically Supportive Food/Medically Tailored Meals	✓	✓
Nursing Home Transition/Diversion to Assisted Living	✓	✓
Personal Care/Homemaker Services	✓	✓
Recuperative Care (Medical Respite)	✓	✓
Respite Services (Caregiver Respite)	✓	✓
Short-Term Post Hospitalization Housing*	Not Available	✓
Sobering Centers	Not Available	Not Available
Transitional Rent	✓	✓

Each of the 14 Community Supports is a different service available to Medi-Cal members whose MCP offers it. Eligibility requirements differ for each Community Support. To review eligibility requirements, please review the DHCS Community Supports Policy Guide.

**Short-Term Post Hospitalization Housing is sunsetting at the end of 2026.*

Asthma Remediation

Members receive physical modifications to their home to avoid acute asthma episodes due to environmental triggers like mold. Modifications can include filtered vacuums, dehumidifiers, air filters, and ventilation improvements.

Community Transition Services/Nursing Facility Transition to a Home

Members transitioning from a nursing facility to a private residence where they will be responsible for their own expenses, receive funding for set-up services such as security deposits, set-up fees for utilities, and health-related appliances, such as air conditioners, heaters, or hospital beds.

Day Habilitation Programs (*currently only available for Kaiser Permanente members*)

Members who are experiencing homelessness, are at risk of experiencing homelessness, or formerly experienced homelessness, receive mentoring by a trained caregiver on the self-help, social, and adaptive skills needed to live successfully in the community. These skills include the use of public transportation, cooking, cleaning, managing personal finances, dealing with and responding appropriately to governmental agencies and personnel, and developing and maintaining interpersonal relationships. This support can be provided in a member's home or in an out-of-home, non-facility setting.

Environmental Accessibility Adaptations (Home Modifications)

Members receive physical modifications to their home to ensure their health and safety and allow them to function with greater independence. Home modifications can include ramps and grab-bars, doorway widening for members who use a wheelchair, stair lifts, or making bathrooms wheelchair accessible.

Housing Tenancy and Sustaining Services

Members receive support to maintain safe and stable tenancy once housing is secured, such as coordination with landlords to address issues, assistance with the annual housing recertification process, and linkage to community resources to prevent eviction.

Housing Deposits

Members receive assistance with housing security deposits, utilities set-up fees, first and last month's rent, and first month of utilities. Members can also receive funding for medically necessary items like air conditioners, heaters, and hospital beds to ensure their new home is safe for move-in.

Medically Supportive Food/Medically Tailored Meals

Members receive deliveries of nutritious, prepared meals and/or healthy produce/groceries to treat their health conditions Members may also receive behavioral, cooking, and/or nutrition education when paired with the food-based intervention.

Nursing Facility Transition/Diversion to Assisted Living Facilities

Members living at home or in a nursing facility are transferred to an assisted living facility to live in their community and avoid institutionalization in a nursing facility, when possible. Assisted living facilities provide services to establish a community facility residence such as support with daily living activities, medication oversight, and 24-hour onsite direct care staff.

Personal Care and Homemaker Services

Members who require assistance with Activities of Daily Living or Instrumental Activities of Daily Living receive in-home support such as bathing or feeding, meal preparation, grocery shopping, and accompaniment to medical appointments.

Recuperative Care (Medical Respite)

Members with unstable housing who no longer require hospitalization, but still need to heal from an injury or illness, receive short-term residential care. The residential care includes housing, meals, ongoing monitoring of the member's condition, and other services like coordination of transportation to appointments.

Respite Services (Caregiver Respite)

Respite services provide short-term relief for members' caregivers. Members may receive caregiver services in their home or in an approved facility on an hourly, daily, or nightly basis as needed.

Short-Term Post Hospitalization Housing (*currently only available for Kaiser Permanente members; sunsetting at the end of 2026*)

Members who do not have a residence, and who have high medical or mental health and substance use disorder needs, receive short-term housing for up to six months to continue their recovery. To receive this support, members must also have been discharged from an inpatient clinical setting, residential substance use disorder treatment or recovery facility, residential mental health treatment facility, correctional facility, nursing facility, or recuperative care.

Sobering Centers (*not available in Alameda County*)

Sobering centers are short-term care facilities designed to allow a member who is publicly intoxicated to safely recover from acute intoxication of alcohol and/ or other drugs. Sobering centers may offer medical triage, lab testing, a temporary bed, rehydration, and food service, treatment for nausea, wound and dressing changes, shower and laundry facilities, substance use education and counseling, and care coordination for additional substance use, necessary health care, and homeless care support services.

Transitional Rent

Transitional Rent is a CalAIM Community Support that covers up to six months of rental assistance for Medi-Cal members who are experiencing or at risk of homelessness and are moving out of settings such as institutions, correctional facilities, recuperative care, or the foster care system. By pairing short-term rent with housing navigation and tenancy supports, it helps members secure stable housing during a critical transition and reduces avoidable hospital, emergency, and institutional care.

Role of Alameda County Office of Homeless Care and Coordination

The Alameda Alliance for Health contracts with Alameda County Health Care Services Agency (HCSA) Office of Homeless Care and Coordination (OHCC) to deliver the three housing-related Community Supports. The County serves as the hub, contracting with 19 community-based organizations (as of the end of 2023; additional contractors may be added in 2024), which are listed on page 19.

Members are prioritized for Housing Community Supports through Coordinated Entry and are literally homeless, and formerly homeless households living in, or transitioning to permanent housing within Alameda County. The Coordinated Entry process is an approach to coordination and management of the crisis response system's resources that allows users to make equitable, consistent decisions from available information to connect people efficiently and effectively to interventions that will end their homelessness.

To help connect members in need of services and for more information about housing and resources for people experiencing homelessness, contact a Housing Resource Center in your area or call 2-1-1.

LIFESTEPS

About	LifeSTEPS is adding Enhanced Care Management (ECM) to its supportive healthcare services portfolio. Effective January 2022, with the launch of California Advancing and Innovating Medi-Cal (CalAIM), LifeSTEPS will partner with Anthem and the Department of Health Care Services to offer ECM to the highest-need Medi-Cal recipients. LifeSTEPS proudly played a key role in the design of the CalAIM and ECM services, with LifeSTEPS leadership serving on the CalAIM strategic planning group.

	SIDE BY SIDE
About	At Side By Side we walk with young people impacted by adversity on their unique journeys to heal from trauma, restore resilience, and embrace their own potential. We see our clients for the individuals they are, and how all aspects of their life experiences have impacted their behavior, emotions, and ability to learn. We provide critical and comprehensive services that honor the young person's unique needs and strengths to prevent the escalation of dangerous conditions and behaviors and set them on a positive path. When they feel seen for who they are today, we believe our youth can move with confidence toward a future with meaning and connection.

	UNCUFFED PROJECT INC
About	The Uncuffed Project is dedicated to catalyzing transformative change, steering systemic shifts towards a more just and equitable world. Our commitment lies in making a lasting impact by delving into the root causes of social challenges, grounded in a profound understanding of our community's needs. Collaboration is at the heart of our approach, as we strive to innovate, empower, and carve a brighter future. The Uncuffed Project operates with a distinct vision, focusing on the marginalized, justice-impacted, and unhoused individuals, including women, men, and juveniles. We create a safe space and provide essential resources to prevent future recidivism and homelessness. Our services encompass housing, medical insurance, classes, and training, ensuring a successful reentry into their environments.

ALAMEDA COUNTY RECIPE4HEALTH	**ALAMEDA COUNTY RECIPE4HEALTH**
About	Alameda County's Recipe4Health initiative (R4H) is a nationally recognized, multisector Food as Medicine model that clinically integrates food-based interventions into healthcare settings to 1) treat, prevent, and reverse chronic conditions; 2) address food and nutrition security and other social determinants of health; 3) improve health and racial equity; 4) build local economic wealth, and 5) improve climate health. R4H prioritizes the equitable sourcing and supply of local "regenerative and organic" food to meet the health centers' demand for high quality, nutritious food. Patients receive regeneratively and organically grown produce paired with the option for health coaching – all prescribed by their healthcare provider.

CARDEA HEALTH	**CARDEA HEALTH/EDDIE'S PLACE**
About	Cardea Health is a nonprofit healthcare organization founded to connect marginalized populations to the clinical and supportive services they need to improve their health, remain stably housed in their community, and age in place. Cardea Health looks to serve people experiencing homelessness, providing a range of clinical services within permanent supportive housing sites to both address their medical needs and allow them to live independently in their communities, addressing a critical need within the system of care.

	**UNCUFFED PROJECT INC**
About	The Uncuffed Project is dedicated to catalyzing transformative change, steering systemic shifts towards a more just and equitable world. Our commitment lies in making a lasting impact by delving into the root causes of social challenges, grounded in a profound understanding of our community's needs. Collaboration is at the heart of our approach, as we strive to innovate, empower, and carve a brighter future. The Uncuffed Project operates with a distinct vision, focusing on the marginalized, justice-impacted, and unhoused individuals, including women, men, and juveniles. We create a safe space and provide essential resources to prevent future recidivism and homelessness. Our services encompass housing, medical insurance, classes, and training, ensuring a successful reentry into their environments.
