CalAIM PATH Care Coordination Provider List ECM and Community Supports Providers March 2024

Resource Overview

This reference tool offers a comprehensive list of the contracted Enhanced Care Management (ECM) and Community Supports service providers currently operating in Alameda County through the [CalAIM initiative](#). This statewide Medi-Cal initiative is implemented locally by Medi-Cal managed care plans (MCPs) but with state oversight by the Department of Health Care Services (DHCS).

In Alameda County, the [Alameda Alliance for Health](#) and [Kaiser Permanente](#) are the local Medi-Cal MCPs that contract with local providers and service organizations to deliver ECM and Community Supports. It is important to note that while some service providers contract with both Medi-Cal MCPs, many are only contracted with either the Alameda Alliance or Kaiser Permanente to deliver services to eligible Medi-Cal members.

The Provider List includes contact information, ECM Populations of Focus served, and Community Supports services offered by each contracted provider in Alameda County.

This resource is intended as a reference tool to support access to and coordination of ECM and Community Supports services for eligible Medi-Cal members in Alameda County. The Provider List can be used to identify contracted providers to connect individuals and families to the ECM and Community Support services they need in a timely manner.

To request additional provider information or suggest updates or corrections to the information available in this reference tool, please contact pathinfo@bluepathhealth.com.

The Provider List was developed by BluePath Health through the CalAIM PATH Collaborative Planning and Implementation (CPI) Initiative, which supports county and regional collaborative planning efforts for CalAIM implementation. The Alameda CalAIM PATH Collaborative meets monthly to convene local stakeholders and discuss the rollout of ECM and Community Supports services.

We appreciate the support and contributions from the Alameda Alliance for Health, Kaiser Permanente, and our county partners to develop this resource for the community.

CalAIM PATH Care Coordination Provider List
ECM and Community Supports Providers
March 2024

Enhanced Care Management Overview

ECM is a statewide Medi-Cal benefit available to qualifying members with complex needs. To access the care they need, these members must often engage several separate delivery systems, including primary and specialty care, dental, mental health, substance use disorder treatment, and long-term services and supports.

Medi-Cal members with complex needs are enrolled in ECM to receive comprehensive care management from a single lead care manager who coordinates all their health and health-related care, including physical, mental, and dental care, and social services. ECM makes it easier for members to get the right care at the right time in the right setting and receive additional services that go beyond the doctor's office or hospital. ECM is the most intensive care management benefit available for Medi-Cal members.

The following pages list the ECM providers that are contracted with the Medi-Cal MCPs that operate in Alameda County, the Alameda Alliance and Anthem. The Populations of Focus served by each ECM provider are specified, and providers may serve one or more of the following Populations of Focus (POF):

- Adults, youth/children, and families experiencing homelessness.
- Adults, youth, and children who are at risk for avoidable hospital or emergency department care.
- Adults, youth, and children experiencing serious mental health illness (SMI) and/or substance use disorder (SUD).
- Adults living in the community and at risk for long-term care institutionalization.
- Adult nursing facility residents transitioning to the community.
- Children & Youth enrolled in California Children's Services (CCS) or CCS Whole Child Model with additional needs beyond their CCS condition(s).
- Children & Youth involved in child welfare, including foster care.
- Adults and youth who are transitioning from incarceration.
- Pregnant and postpartum individuals (Birth Equity Population of Focus).

Community Supports Overview

Community Supports are services covered by Medi-Cal MCPs to address Medi-Cal members' health-related social needs to help them live healthier lives and avoid higher, costlier levels of care. Members may receive a Community Supports service if they meet the eligibility criteria and receive service authorization from their MCP. Not all Community Supports are offered in every county or by every MCP. The chart below shows which Community Supports services are available to Alameda County Medi-Cal members by MCP:

Community Supports	Alameda Alliance	Kaiser Permanente
Asthma Remediation	✓	✓
Community Transition Services/Facility Transition to Home	✓	✓
Day Habilitation Programs		✓
Environmental Accessibility Adaptations	✓	✓
Housing Navigation, Tenancy, Deposits	✓	✓
Medically Supportive Food/Medically Tailored Meals	✓	✓
Nursing Home Transition/Diversion to Assisted Living	✓	✓
Personal Care/Homemaker Services	✓	✓
Recuperative Care (Medical Respite)	✓	✓
Respite Services (Caregiver Respite)	✓	✓
Short-Term Post Hospitalization Housing		✓
Sobering Centers	Available Summer 2024	

CalAIM PATH Care Coordination Provider List ECM and Community Supports Providers March 2024

Each of the 14 Community Supports is a different service available to Medi-Cal members whose MCP offers it. Eligibility requirements differ for each Community Support. To review eligibility requirements, please review the [DHCS Community Supports Policy Guide](#).

Asthma Remediation

Members receive physical modifications to their home to avoid acute asthma episodes due to environmental triggers like mold. Modifications can include filtered vacuums, dehumidifiers, air filters, and ventilation improvements.

Community Transition Services/Nursing Facility Transition to a Home

Members transitioning from a nursing facility to a private residence where they will be responsible for their own expenses, receive funding for set-up services such as security deposits, set-up fees for utilities, and health-related appliances, such as air conditioners, heaters, or hospital beds.

Day Habilitation Programs

(currently only available for Kaiser Permanente members)

Members who are experiencing homelessness, are at risk of experiencing homelessness, or formerly experienced homelessness, receive mentoring by a trained caregiver on the self-help, social, and adaptive skills needed to live successfully in the community. These skills include the use of public transportation, cooking, cleaning, managing personal finances, dealing with and responding appropriately to governmental agencies and personnel, and developing and maintaining interpersonal relationships. This support can be provided in a member's home or in an out-of-home, non-facility setting.

Environmental Accessibility Adaptations (Home Modifications)

Members receive physical modifications to their home to ensure their health and safety and allow them to function with greater independence. Home modifications can include ramps and grab-bars, doorway widening for members who use a wheelchair, stair lifts, or making bathrooms wheelchair accessible.

Housing Tenancy and Sustaining Services

Members receive support to maintain safe and stable tenancy once housing is secured, such as coordination with landlords to address issues, assistance with the annual housing recertification process, and linkage to community resources to prevent eviction.

Housing Deposits

Members receive assistance with housing security deposits, utilities set-up fees, first and last month's rent, and first month of utilities. Members can also receive funding for medically

CalAIM PATH Care Coordination Provider List ECM and Community Supports Providers March 2024

necessary items like air conditioners, heaters, and hospital beds to ensure their new home is safe for move-in.

Medically Supportive Food/Medically Tailored Meals

Members receive deliveries of nutritious, prepared meals and/or healthy produce/groceries to treat their health conditions. Members may also receive behavioral, cooking, and/or nutrition education when paired with the food-based intervention.

Nursing Facility Transition/Diversion to Assisted Living Facilities

Members living at home or in a nursing facility are transferred to an assisted living facility to live in their community and avoid institutionalization in a nursing facility, when possible. Assisted living facilities provide services to establish a community facility residence such as support with daily living activities, medication oversight, and 24-hour onsite direct care staff.

Personal Care and Homemaker Services

Members who require assistance with Activities of Daily Living or Instrumental Activities of Daily Living receive in-home support such as bathing or feeding, meal preparation, grocery shopping, and accompaniment to medical appointments.

Recuperative Care (Medical Respite)

Members with unstable housing who no longer require hospitalization, but still need to heal from an injury or illness, receive short-term residential care. The residential care includes housing, meals, ongoing monitoring of the member's condition, and other services like coordination of transportation to appointments.

Respite Services (Caregiver Respite)

Respite services provide short-term relief for members' caregivers. Members may receive caregiver services in their home or in an approved facility on an hourly, daily, or nightly basis as needed.

Short-Term Post Hospitalization Housing (*currently only available for Kaiser Permanente members*)

Members who do not have a residence, and who have high medical or mental health and substance use disorder needs, receive short-term housing for up to six months to continue their recovery. To receive this support, members must also have been discharged from an inpatient clinical setting, residential substance use disorder treatment or recovery facility, residential mental health treatment facility, correctional facility, nursing facility, or recuperative care.

Role of Alameda County Office of Homeless Care and Coordination

The Alameda Alliance for Health contracts with Alameda County Health Care Services Agency (HCSA) [Office of Homeless Care and Coordination \(OHCC\)](#) to deliver the three housing-related Community Supports. The County serves as the hub, contracting with 19 community-based organizations (as of the end of 2023; additional contractors may be added in 2024), which are listed on page 19.

Members are prioritized for Housing Community Supports through [Coordinated Entry](#) and are literally homeless, and formerly homeless households living in, or transitioning to permanent housing within Alameda County. The Coordinated Entry process is an approach to coordination and management of the crisis response system’s resources that allows users to make equitable, consistent decisions from available information to connect people efficiently and effectively to interventions that will end their homelessness.

To help connect members in need of services and for more information about housing and resources for people experiencing homelessness, contact a [Housing Resource Center](#) in your area or call 2-1-1.

 NEW DIMENSIONS FOSTER FAMILY AGENCY <small>ADVOCACY • COMMITMENT • SUPPORT</small>	<h3>New Dimensions Foster Family Agency</h3>
About	New Dimensions Foster Family Agency recruits, certifies and trains foster parents, professionally supports them, and finds temporary or permanent placement for children who need additional care. Its mission is to help and oversee the placement of children who cannot remain safely in their parent's home. The agency's vision is for a community that embraces its most vulnerable members, ensuring that each child has an opportunity for a healthy successful life by providing a support system for foster and adoptive families as they fulfill physical needs.

 SIDE BY SIDE	
About	At Side By Side we walk with young people impacted by adversity on their unique journeys to heal from trauma, restore resilience, and embrace their own potential. We see our clients for the individuals they are, and how all aspects of their life experiences have impacted their behavior, emotions, and ability to learn. We provide critical and comprehensive services that honor the young person’s unique needs and strengths to prevent the escalation of dangerous conditions and behaviors and set them on a positive path. When they feel seen for who they are today, we believe our youth can move with confidence toward a future with meaning and connection.

CalAIM PATH Care Coordination Provider List ECM and Community Supports Providers March 2024

About	Alameda County’s Recipe4Health initiative (R4H) is a nationally recognized, multisector Food as Medicine model that clinically integrates food-based interventions into healthcare settings to 1) treat, prevent, and reverse chronic conditions; 2) address food and nutrition security and other social determinants of health; 3) improve health and racial equity; 4) build local economic wealth, and 5) improve climate health. R4H prioritizes the equitable sourcing and supply of local “regenerative and organic” food to meet the health centers’ demand for high quality, nutritious food. Patients receive regeneratively and organically grown produce paired with the option for health coaching – all prescribed by their healthcare provider.

Community Support Services	Asthma Remediation

 Home Safety Services	HOME SAFETY SERVICES
About	We built our reputation on a grass roots level, working with community associations, healthcare providers and ultimately the Veterans Administration to earn their trust and referrals, initially providing high-volume low-cost solutions such as grab bars and stair railings. Our scope of services has grown through the years to now encompass full-scale home modifications including shower conversions, wheelchair ramps and a wide spectrum of lift solutions.

	J&M HOMECARE SERVICES
About	Our primary focus is on ensuring the health and well-being of our East Bay clients while they remain at home with the help of our in-home care services. We want to encourage family members who have taken on caregiving roles to feel supported when they need a break from those responsibilities. We also want to make sure that families who aren't from the East Bay region can rest easy knowing that their loved one is receiving the best care possible.

	<h2>UNCUFFED PROJECT INC</h2>
About	<p>The Uncuffed Project is dedicated to catalyzing transformative change, steering systemic shifts towards a more just and equitable world. Our commitment lies in making a lasting impact by delving into the root causes of social challenges, grounded in a profound understanding of our community's needs. Collaboration is at the heart of our approach, as we strive to innovate, empower, and carve a brighter future. The Uncuffed Project operates with a distinct vision, focusing on the marginalized, justice-impacted, and unhoused individuals, including women, men, and juveniles. We create a safe space and provide essential resources to prevent future recidivism and homelessness. Our services encompass housing, medical insurance, classes, and training, ensuring a successful reentry into their environments.</p>
