12:15 pm	End-of-Meeting Poll & Office Hours

# 2025 Collaborative Aim Statement

**By December 2025, the Collaborative will strengthen local implementation of CalAIM by creating a sustainable network of providers. We will accomplish this through hosting quarterly peer learning sessions and at least 2 workforce development trainings.**

Strengthen the capacity of providers to sustainably deliver CalAIM services

Build education and awareness of CalAIM among members, providers, and community partners to drive referrals

Increase ECM & Community Supports referrals and care coordination among providers
